Past Performance

U.S Air Force HRSTS Oracle EBS Support

Oracle EBS application support for MilPDS. Architecture, administration, and maintenance for Oracle R12 databases, IBM Websphere, and Oracle EBS Human Resource Module.

U.S Air Force Cloud One Support

Architecture, migration, testing, automation, and security support for AWS and Microsoft Azure environments on the Air Force Cloud One platform.

The OTS Difference

1 Increase Efficiency

We invest in cutting-edge technologies to ensure that our organization always lives at the forefront of innovation. The result is a more flexible, collaborative, efficient, and effective operation for your program.

2 Decrease Cost

We're dedicated to improving business processes with technology. Our expertise and efficiency will reduce the Total Cost of Ownership for your program's applications and infrastructure.

3 Reduce Risk

You can trust and depend on our experience and consistency in providing excellent service for government customers.
